These monthly meeting records were abstracted from the originals in the 1930's by W. W. Hinshaw of Washington, D. C.

After Hinshaw's death the unpublished material was deposited at the Friends Historical Library, Swarthmore College, Pennsylvania. This collection is known as the William Wade Hinshaw Index to Quaker Meeting Records.

The following record has been transcribed from a microfilm copy of this Index. As this copy is several generations removed from the original -doubtful entries should be verified by checking the original record books.

These books (or microfilm copies) may be found in the Friends Historical Library.

4-12-1775	John m Mary Yarnall, -dt of Mordecai & Mary (dec) of

DONNELLY (Cont)

John & Mary Yarnall (Cont):
Philadelphia, Pa, at Pine St Mtg married.
This marriage is recorded in the register of Southern Dist without the names of witnesses & a note by the recorder to the effect that the cert was never retd to him. There is no mention of their appearing, or in anywise being connected with Southern Dist, but the marriage appearances etc are duly recorded in the Philadelphia ~~records~~ records. Apparently the Southern Dist recorder was misled by the fact that the marriage occurred in the Pine St MH & assumed they were mbrs ~~of~~ of Southern Dist.

4-12-1775 Mary, -dt of Mordecai & Mary (dec) of Philadelphia, Pa, m John Donnelly at Pine St Mtg
(This marriage is recorded in the register of Southern Dist without the names of wittnesses and a note by the recorder to the effect that the cert was never returned to him. There is no mention of their appearing or in any wise being connected with Southern Dist, but the m appearances etc are duly recorded in the Philadelphia records. Apparently the Southern Dist recorder was misled by the fact that the m occurred in the Pine St MH & assumed they were mbrs of S D
